Hon-or your part-ner; don't be a - fraid To take the cor-ner la - dy for a waltz prom - e - nade.
Waltz her, waltz her a-round, Go in and go out, go up and go down. You
waltz her, waltz her a-round. Waltz your part-ner a-round.

3. Next couple down the center...
4. The last couple down the center...

Richards freely varies the tune for each verse, likely so as not to sound monotonous.
