2. Al - though my hair is beau - ti - ful, It gets me in - to scrapes. The oth - er night at the me - nag - er - ie I was o - gled by the apes! And in mak - ing my es - cape from there, Oh, I was jos - tled by a bear, Which mis - took me for one of her cubs With my curl - y head of hair.

3. Now I'm thought a jol - ly good fel - low, I've a threat - en - ing, scold - ing wife, And if things don't go to suit, She'll oft-times rip and tear And she'll nim - ber - ly twist her fin - gers in my curl - y head of hair.
